- John will have his boat out earlier in the day. Let him know what time to meet you at the dock. There are facilities at the marina to get out of wet swimsuits, shower and put on shorts. The live music starts at 8:00 pm. There is no fee for Friday, August 10th.
- Everybody orders their own dinner off the menu. You get drinks from the bar.
- The open seating dining area is air conditioned. If you can come by 5:00 or close to it, we'd love some help saving tables. Again, the band starts at 8:00.
- Please RSVP to rlturnerclassof1973@gmail.com by August 4th.
